Essay Instructions: Please type your response to the following essay question in a clear and concise manner. Please respond using no more than two pages. Please double space and include at the top of your page your name, address, phone number, and email address. Please be specific as your essay will be one of the determining factors for selection into this program.

In preparing to answer your question please consider the official definition of the humanities as defined by the 1965 National Foundation on the Arts and Humanities Act.

“The term ‘humanities’ includes, but is not limited to, the study of the following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspect of social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life.” - Source: National Endowment for the Humanities

Essay question: How do you think that the humanities can shape, impact and influence a more civil society? Support your claim by including at least one specific example from a personal experience.

Institute Preference: Please rank each institute 1-3 (1 being the most preferred, 2 being somewhat preferred and 3 being the least preferred institute to attend.) We will try our best to place you in your first ranking.

Alabama State University June 12-18 th	Auburn University July 17-23	University of South Alabama – June 19-25

Certification: The information included in this application is true and correct to the best of my knowledge. I understand that submission of false information may invalidate this application.
